- **B-** = 80-82%

**Make-up Tests:** No make-ups will be given. Skills are accessed periodically during 2-day periods. If a student is absent both days and the absences are excused, an assessment will be made at a later date when possible. No skill make-ups will be granted for unexcused absences.

**Attendance:** Attendance in an activity-based class is critical. Missing class during a tournament will result in a loss of points for that round. For one-day tournaments this means students will lose 100% of tournament points. Missing non-tournament classes will result in a loss of 15 points per day.

**Punctuality:** Students are expected to be on time each class. After the first tardy, students will receive a 10-point loss for each tardy.

**Texting:** This instructor fully supports the College’s Student Code of Conduct. All cellular devices must be turned off prior to class. Texting in class or checking one’s phone will result in a 20-point per occurrence reduction in one’s final point total.

**Proper Attire:** Students must dress appropriately which includes athletic attire. Jeans and other long pants that are not designed for athletics are not allowed. Proper shoes are essential. Sandals are not designed for lateral movement. Students without proper attire will not be allowed to participate and will lose points for that day. Students will not be allowed to participate without discs and will receive an absence for those days resulting in a loss of points.

**Honor System:** Students must do their own work. Please see the 2014-2015 Student Handbook (Academic Honor System) for a description of the College’s Honor System, which is fully supported in this class.

**College of Charleston Honor Code and Academic Integrity**

Lying, cheating, attempted cheating, and plagiarism are violations of our Honor Code that, when identified, are investigated. Each incident will be examined to determine the degree of deception involved.

Incidents where the instructor determines the student’s actions are related more to a misunderstanding will be handled by the instructor. A written intervention designed to help prevent the student from repeating the error will be given to the student. The intervention, submitted by form and signed by both the instructor and the student, will be forwarded to the Dean of Students and placed in the student’s file.

Cases of suspected academic dishonesty will be reported directly by the instructor and/or others having knowledge of the incident to the Dean of Students. A student found responsible by the Honor Board for academic dishonesty will receive a XF in the course, indicating failure of the course due to academic dishonesty. This grade will appear on the student’s transcript for two years after which the student may petition for the X to be expunged. The student may also be placed on disciplinary probation, suspended (temporary removal) or expelled (permanent removal) from the College by the Honor Board.

Students should be aware that unauthorized collaboration--working together without permission--is a form of cheating. Unless the instructor specifies that students can work together on an assignment, quiz and/or test, no collaboration during the completion of the assignment is permitted. Other forms of cheating include possessing or using an unauthorized study aid (which could include accessing information stored on a cell phone), copying from others’ exams, fabricating data, and giving unauthorized assistance.
Research conducted and/or papers written for other classes cannot be used in whole or in part for any assignment in this class without obtaining prior permission from the instructor.

Students can find the complete Honor Code and all related processes in the *Student Handbook* at [http://www.cofc.edu/generaldocuments/handbook.pdf](http://www.cofc.edu/generaldocuments/handbook.pdf)

**The Classroom Code of Conduct** (from the President's Advisory Committee) covers specific principles of civil conduct expected in a college classroom:

- It is rude and unacceptable to talk with classmates while the professor (or another student who has the floor) is talking.
- Visible and noisy signs of restlessness are rude as well as disruptive to others.
