COURSE DESCRIPTION: Adapted physical education lab is a course designed to prepare Teacher Education candidates for the construction and implementation of appropriate physical education (PK-12) curriculum for learners with disabilities. This course involves field experience in a public school environment for at least 30 hours.

COURSE TEXT: Web resources and handouts will be used as text material for this course.

COURSE OBJECTIVES: Competencies within the course should prepare candidates to:
1. Develop and demonstrate knowledge about lesson planning, evaluation, and teaching techniques for individuals with disabilities by:
   a. designing educational experiences that apply methods and techniques of planning IEPs while in a field experience setting.
   b. selecting and listing appropriate psychosocial development materials used to assess skills of individuals with disabilities.
   c. determining the unique physical education needs, approaches and procedures to be used for management in a full inclusion setting.
   d. writing instructional objectives using formative assessment designed to meet the unique needs of individuals with disabilities that are fully included in the field experiences.

DESCRIPTION OF PROJECTS:
1. Lab/Field Participation: contribution to weekly Lab activities are expected and each candidate will be held responsible for ALL lab assignments. The use of electronic communication will be required.

2. Individual Education Plan: Candidates will be required to assess, plan an IEP, and implement a program for learners with disabilities. In addition to the IEP, three lesson plans must be developed to meet the stated goals/objectives based on assessment results.

3. Lab/Field Experience: All candidates are required to do at least 30 hours of observation/participation/teaching activities in a PK-12 public school. At least 20 hours must be devoted to working 1 on 1 or in small groups with learners with a disability.

4. Lab/Field Experience Logs: During the semester, each candidate must complete a log for each lab session attended. Logs are due each week starting on September 9th. Each log should be on a separate page using the assigned class format. Each log carries a value of two (2) +-------- 02.zzzzzz--41 percentage points. Logs will not be accepted late.

ATTENDANCE:  
Your presence is **required** in each class. If you are absent more than ONE time this semester, 10 points per additional unexcused absence will be deducted from your **final grade average**. **Excused absences** may be granted for: Documented Student illness reported by Campus Wellness Center or written notice from an off-campus health professional, Death in the family or of a close friend, Student hospitalized, Documented personal tragedy, Documented athletic events, and other. If you are not present when the roll is called and choose to enter class late, you are considered tardy. Being tardy two times equal one absence. Students will not be withdrawn for excessive absents, but will lose points as per stated above.

MAKE-UP LABS:  
Make-up Labs are allowed at the discretion of the professor. Only extenuating circumstances warrant a make-up lab. It is the student's responsibility to see the instructor if a make-up lab is requested.

HONOR SYSTEM:  
See the most current posting of the College of Charleston Student Handbook (Academic Honor System).

DISABILITY STATEMENTS IN SYLLABI:  
If there is a student in this class who has a documented disability and has been approved to receive accommodations through the Center for Disability Services (CDS), please feel free to come and discuss this with me during my office hours.
